*"Yes, everything went perfect @ our meeting. Everyone had a great time and the Maxx members were great to interact with the audience and get everyone up to dancing and having a Great time. I would also like to compliment the female vocalist... She was great and all the guys loved her!!!! As a result of the performance and great entertainment, as you know, we've ask to book them for our end of the year meeting/Christmas dinner. We look forward to another wonderful time with the Maxx for the 3rd time."*

*"What Can I say besides thank you? The is the most professional, easy-going, FUNKIEST and grooviest band I have ever had the privilege to work with. Excellent Work!! See you next year in London!!"*

**Kristin Magnuson/ JBA Ltd, London England**

*"They were wonderful and a lot of fun! All of our friends commented on how good they were. They kept the dance floor packed all night. I would definitely recommend them. My husband and I can't wait to see them play at our friends wedding in Aug. (Mebane wedding Aug 10 in Greenville, SC). The band was everything that we wanted and more. They were all very nice and easy to work with! Let me know if you need anything else from me."*

*The Maxx was fantastic!! I can't tell you how many people asked me who they were and how did we get them. They are wonderful with crowds and getting people involved - not to mention what excellent musicians they are. Most of all they are kind and attentive to the audience - my almost 80 year old mother was asked to dance and sing a few times with the lead singer - that definitely made her day! Anyway, as you can tell, I can't say enough about them!*

*I hope our paths can cross again in the future maybe for a future wedding - who knows - you and The Maxx were a delight to work with - Thank you*

*The evening's success was due in large part to everyone associated with The Maxx. They were absolutely great! Everyone danced; from the first song to the last song the dance floor was full.*

*I appreciate the professional job that they did and I would very much like to have them back for a future event. I can't say enough about The Maxx and that evening.*

**David Beam/Insulate America, Phoenix, AZ**

*Um, WOW! How was The Maxx you ask? I would say that phenomenal is the understatement of the year. We had committee women on stage a-singing and dancing until the bitter the end, and we they were chanting "one more song" at midnight, so I would say that The Maxx was a hit like no other band we have ever had! Thank You!*

*They were fabulous!!!! Everyone has commented on how much fun they were, where were they from, who were they, how did I know about them, and how nice they were....loved getting to know them and hopefully can party with them again in the near future! Sorry it rained, but we were prepared and the weather didn't bother the crowd..LOVED the MAXX!!!!*

**Vanlandingham Reception, Sept. 29, 2012, Leland, MS**

*The band was incredible. Everyone I talk to says they had a great time, most people thought that the Maxx was better than the band the school hired for the campus-wide "Fancy Dress Ball" that was held on Saturday. I agree. The guys--and girl--were real cool about everything, and they put on a great show. Thanks again for all your help.*

*By the way, I have already been asked when we are going to get The Maxx back. I don't know what the band thought about the show, but we'd love to get them again fall term next year*

**Chris Tully/Washington & Lee University, Lexington, VA**

*The Maxx was AWESOME!! They were SO good and so much FUN. All of our guests commented on their talent and their ability to get the crowd involved. They played all the right songs, at the right times. I cannot tell you how much we enjoyed having them at our reception. They made it the party we wanted it to be!! I would recommend them to anyone! And I can't wait to see them play again!*

**Courtney Stevens Plyler/Stevens Wedding, Greenville, SC**

*The Maxx was awesome. We have heard so many compliments about them from all of our guests. They got out and danced on the dance floor and got everyone into it. We are very thankful we made the right decision in choosing them. They were terrific and made the reception very memorable. I'd be happy to serve as a future reference for other couples looking into bands. Thanks for all of your help.*
